

Additional information about MYRA events

Dear MYRA Members,

Due to the governor's order, all schools will begin to close this week. As we go through these uncertain times, MYRA is carefully monitoring the situation.

We have decided to delay our voting window for the 19-20 school year. We will keep the voting window open until at least **April 17**. As there are a lot of unknowns at the moment, we will potentially extend this as more information is given.

You may want to consider online voting for your qualifying students for the Maud Hart Lovelace awards. Online voting forms for students to copy (not our official ballot) can be seen at the bottom of the [voting resources page](#).

Have a good week and stay well,

Josh Jackson
President, MYRA

The Minnesota Youth Reading Awards are 100% volunteer powered!
