

Important information about MYRA events

Dear MYRA Members,

I am sure you are well aware of the challenges we are currently facing in regards to the COVID-19 outbreak. Following CDC guidelines and appropriate measures taken by our public library partners, MYRA will need to modify our April Awards Announcement event.

Originally scheduled on April 18, the Awards Announcement Party will be postponed until further notice or modified into a digital event. The MYRA Board is currently in discussion on the most appropriate actions. More information will be coming as available.

Additionally, the MYRA Board is monitoring our open voting window. As of this time, our 2019-2020 Maud Hart Lovelace (Div 1 & 2) and Star of the North voting windows will not change. **Voting will still end on March 31.**

We recognize that this situation is fluid and schools may need to close abruptly. As events unfold in the coming week, we will be in touch regarding possible voting window extensions or other modifications.

Thank you for your understanding. Please reply to this email if you have specific questions in regard to these updates.

Stay well!

Josh Jackson
President, MYRA

The Minnesota Youth Reading Awards are 100% volunteer powered!
